RE: Gittens v. City of New York et. al.
19-CV-272(ER)

Dear Judge Ramos:

I respectfully write to request to amend the briefing schedule (ECF. Dkt. 159). This is Plaintiff's second request to amend, however, as I conveyed to Counsel, after I requested the aforementioned briefing schedule, I received an order from Judge Carter to resubmit Plaintiff's Opposition to Defendants' Motion for Summary Judgment in the case assigned to him. Judge Carter ordered Plaintiff to re-submit her opposition on or before May 17th, two days after the motion in this matter is due, which is on May 15th. (See Gittens Bridges v. City of New York et. al.)

I explained to Counsel in this matter that I am still recovering from COVID, and that due to debilitating migraines I am not able to work the long hours necessary to complete both filings on their designated due dates. In response, Counsel consented to my request for a two week extension. Accordingly, I am respectfully requesting the following amended briefing schedule: Plaintiff's opposition due on or before June 1, 2021; with Defendants' reply in support due on or before July 1st, 2021.

Once again, I apologize for any inconvenience that my requests have caused the Court. Again, I thank the Court for the latitude and grace that I have been extended to date. I will make best efforts to comply with this requested briefing schedule.

Respectfully submitted,

Special Hagan, Esq.
